

Cell Towers Listed as Hazmat Sites in Montgomery County

Emails to Montgomery County Maryland where numerous schools have cell towers on school property confirming the cell sites are listed as Hazmat sites.

Subject: cell tower sites listed as HAZMAT sites

Hello, Are cell tower sites listed as HAZMAT sites if they have lead acid batteries and just gas as back up power.
What about diesel fuel tanks?
Is the county list of hazmat sites online?
Thanks,
Theodora Scarato

They are listed as hazmat sites regardless of battery or gas. The same goes for diesel fuel tanks as well. We do not give out the sites for confidentiality reasons.
